

Pharmacy Select

Including **Pharmacy Select** in your purchasing strategy means more money in your pocket.

With Pharmacy Select you get:

- Access to over 8,300 products
- Available within the wholesalers portfolio included in the Generic spend for your GCR & GPR calculations
- Competitive pricing

Your Bottom Line

Savings scenario for a typical Pharmacy Select customer

Generic Spend: Most customers spend 12% of their generics on Pharmacy Select products where they find valuable savings, on average 40%!

What does that mean to your bottom line: An 8% overall savings on your entire generic spend!

For a **\$4 million** store that equates to a

\$50,000
annual savings!
