This card is not insurance - Savings on top of Generic Medications

The Prescription Drug Savings Program Designed by and for Independent Pharmacies

For Your Business

ScriptPass is a prescription savings program created specifically for independent pharmacies Unlike other prescription savings programs, ScriptPass includes a fair reimbursement over cost, a generous dispensing fee, and a nominal processing fee (a portion of which YOU get back)!

* Attract more patients and boost your pharmacy's profitability!

For Your Patients

With iCare+ ScriptPass, you can effectively compete with similar cost-plus programs while offering your patients savings of up to 80% on select prescription medications.

Discover the ScriptPass Difference

Powered by IPC, our dynamic formulary and real-time pricing set us apart. Owned by independent pharmacy owners, ScriptPass offers competitive pricing, transparent reimbursements, and a strategic focus on attracting new patients, positioning your pharmacy for enhanced profitability.

How Patients Use ScriptPass

1. Search prescriptions
See our available discounted prices for your prescriptions.

2. Claim your discount
Print, text or email yourself the free prescription coupon to use at participating pharmacy locations.

3. Show your pharmacist
They'll input the code so your prescriptions will automatically be discounted.
