* If your order is taxable, you will be billed for the sales and local tax as required by law. Your payment terms (including due date) will be specified on your invoice. If you are eligible for a prompt pay discount through a buying group affiliation and do not see it applied at checkout, please ensure you have selected the correct contract affiliation or contact your buying group to confirm your contract terms and eligibility. Orders are processed immediately and cannot be modified or cancelled after being placed. Orders will begin shipping in mid-July 2024. Orders with multiple addresses will be separated into multiple shipments and invoiced individually. Your Corporate Address will be listed as the Bill To address on your invoice.

While you can place an order the same day you register, it will not ship until your account is fully validated.
